

VACANT POSITIONS: ELECTRICIAN/ELECTRICAL FITTER

At All National Locations (Hallam, VIC, St Mary's, NSW,
Yatala, QLD, and Malaga, WA)

THE COMPANY:

A B Equipment is a successful Materials Handling company, with an Australia-wide branch operation, having an extensive and varied customer base.

This proudly Australian-owned company commenced operations in 1993 and is now a leading supplier of materials handling equipment and boasts a nationwide branch network servicing their ever-growing customer base. The company strives to provide excellence in Sales, Servicing, Hiring and Maintenance of equipment, and prides themselves on their can-do attitude and ability to deliver quality and cost-effective industry solutions.

THE ROLE:

This is an opportunity for an electrician/electrical fitter who is interested in using their trade skills but who might enjoy undertaking some general maintenance duties as well.

You will be provided with a company mobile phone, company-maintained service vehicle, fuel card, and iPad.

These roles would be suited to a person looking for a varied role where they can use their electrical trade but also learn new skills.

YOUR ROLE:

- These positions are based in the state you have applied for.
- These positions are not office-based but are field service roles where you will be visiting customers.
- Some country travel may be necessary.
- You require a degree of experience in back of house material handling equipment, including, but not limited to, compactors, dock levellers, scissor lifts and pallet jacks.
- Standard hours of operation are Monday to Friday 7:30 AM to 4:00 PM (38-hour week) plus overtime, including weekends as and when required.

YOUR SKILLS & EXPERIENCE:

- Trade qualifications/electrical licence.
- You require a good skill set and ability to work with electrics and have or be willing to learn mechanical and/or hydraulics skills.
- Ability to identify faults.
- Ability to work within time constraints whilst maintaining legal and WHS obligations.

- Must have a current driver's licence (manual preferred) and an understanding of common local areas.
- Have a strong level of commitment to be able to work in a team or unsupervised.
- Can verbally assist, troubleshoot, problem solve, and offer the best possible solutions.
- Ability to demonstrate a strong work ethic in a diverse, fast moving, and ever-changing environment.
- Be timely and thorough in your tasks and have a high attention to detail.
- It is essential for this role that you are punctual and reliable and have a demonstrated ability to stay calm and meet customer requirements.
- Experience in roller door and/or sectional door servicing and repair and low voltage electrical work would be favourable but not essential.

WHAT WE OFFER YOU:

- An attractive base salary will be offered to the successful person.
- Internal career development and progression opportunities are available.
- Fully maintained service vehicle

The successful candidate will enjoy excellent working conditions and a supportive team culture. If you are looking for work that is varied and interesting, where your workday is never the same and you love dealing with a broad base of customers and their requirements, we're keen to hear from you.
